W. W. Spangler

Green is the springtime,
White is the snowy shore,
Colors that I adore,
Of our Shore High.

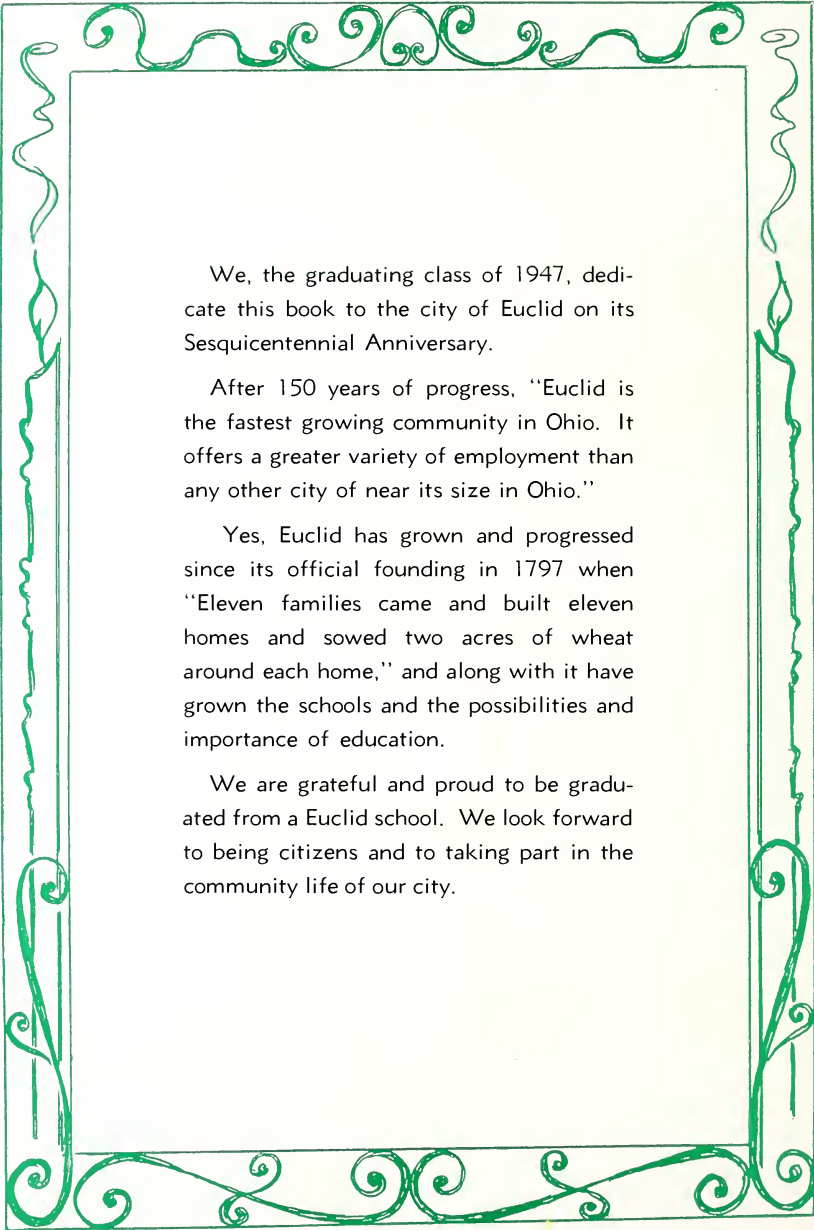

Springtime may pass away,
Snow linger but a day,
But thee I'll love for aye,
Our Shore High dear.

Dear are the mem'ries,
Golden the days of yore,
When we acquired lore,
At old Shore High.

Time may bring vain regret,
Sorrows may irk and fret,
But thee I'll ne'er forget,
My true Shore High.

We, Class of 47, Present

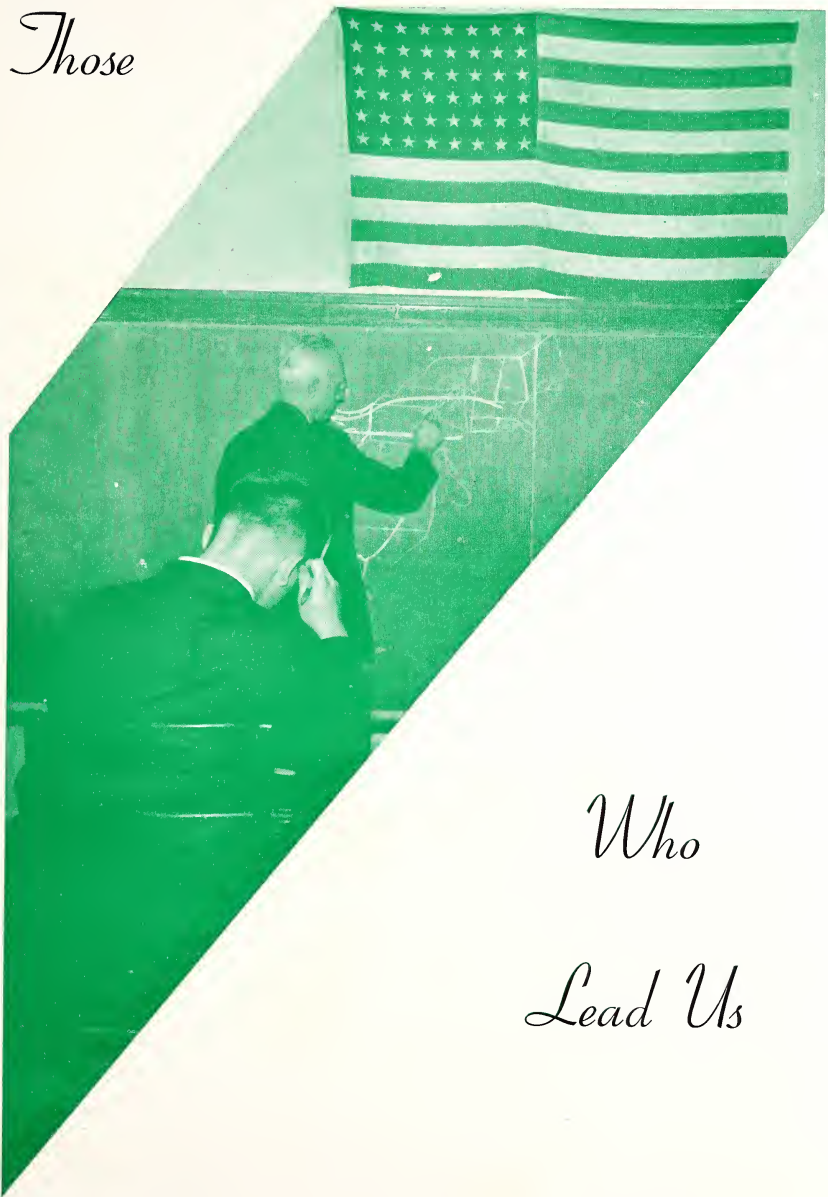

We, the graduating class of 1947, dedicate this book to the city of Euclid on its Sesquicentennial Anniversary.

After 150 years of progress, "Euclid is the fastest growing community in Ohio. It offers a greater variety of employment than any other city of near its size in Ohio."

Yes, Euclid has grown and progressed since its official founding in 1797 when "Eleven families came and built eleven homes and sowed two acres of wheat around each home," and along with it have grown the schools and the possibilities and importance of education.

We are grateful and proud to be graduated from a Euclid school. We look forward to being citizens and to taking part in the community life of our city.

Our Superintendent, board of . . .

As we today survey American education, we smile at the argument that a grammar school education is enough for American youth. To say that beyond this education is a luxury is to deny the common experience of our young people in the recent war.

While the major purpose of secondary education today is to give our youth a background of culture and understanding that will make for good citizenship and happy living, we realize it is of vital importance to our country as well as to our individual selves that we lay the foundations for a technical or scientific life. We are no longer a simple, agricultural community. Our life has become singularly complex. Our schools must face this challenge in preparing young people for the years ahead.

education, principal, and . . .

Graduates of 1947,

The span of your years at Shore has encompassed a very significant period in the growth of your City of Euclid! While most of you have been here, Euclid has doubled in size and it has grown phenomenally in commercial and cultural importance, as a good place to work and to live.

You and your school—Shore—have grown too,—grown in understanding and capacity to meet new and larger obligations. These responsibilities must be assumed and ably carried. That is being done.

And now, you are prepared by reason of home opportunities, community advantages, and educational effort to be considered graduates of Shore. May you always be as proud of your school in future as you have been during your student days.

Shore will have reason to be proud of you who will be numbered among the many successful Shore Grads!

Sincerely, Leonard E. Loos

Shore Diary

September:

School began on the fourth with the largest enrollment ever seen—part-blondes predominated—The Touchdown Dance gave us a preview of the year's fun—The girls fought against taking showers, and won.

October:

The badminton stars of the "Ice Capades" showed their "form" at assembly—We defeated Central, 27-0, for the sixth win of the season, then came our lowest score, a 6-6 tie with Maple Heights—Dig-

ging into our jeans again, we reached our goal for the Community Chest, then harassed our relatives into buying magazines to enrich our band uniform fund—The Shore and Central girls "buried the hatchet" at a Pow-Wow Party held at Shore, and then we paid a return visit to a Central Y-Teen meeting—An N.E.O.T.A. meeting brought a welcome holiday for all except the faculty—and the G.L.C. initiation brought more than growing pains to new members.

"Got your ticket for the game? Buy them from me, will you?" These are familiar words to all Shore students and they are words often spoken by members of Shore's Advertising Committee.

Selling tickets for all Shore's home athletic contests is the most important job this committee per-

forms. The Ad Committee also supervises the sectional basketball tournament held in the auditorium every year.

Chosen by Mr. Spangler on the basis of scholarship, leadership, and non-participation in athletics, the members of this committee serve faithfully throughout the year.

The symbol of the Senior Sisters, "B²," characterizes the fine attitude a Senior Sister displays, not only toward her Freshman sisters, but toward her whole school life.

The purpose of this organization is to help the freshman girls in every possible way. Any girl in the 11A, 12B, or 12A is eligible to become a Senior Sister if she is above average in her studies and is approved by her homeroom teacher, the club sponsor, Miss Pierson, and the dean of girls, Miss Albrecht.

"See if the girls of the Service Club will do it." This is a standard cry of many of the harassed teachers at Share High. If there are any odd jobs to be done, you may be sure that Miss Campbell and her girls will be willing and able to do them.

The club was organized by Miss Campbell to perform the many little services that do not fall under the headings of the other clubs at Shore. Its duties are many and varied. The girls act as hostesses to direct visitors around the school. They usher at the many nightly functions at school. As the club grows older, its prestige grows by leaps and bounds.

hospitals, baby clothes, quilts, blankets, and hospital tray favors. These are just a few of the many services of the Red Cross. Miss Rosenberger is the always handy advisor guiding the work of the girls.

With formals, parties and other outstanding activities, the Senior Y-Teen, alias the Friendship Club comes out in the lead for sponsoring activities this year.

The new name, Y-Teen, has recently been adopted nationwide for the sole purpose of having all junior Y.W.C.A. organizations bear the same name. Along with many other high school Y-Teen Clubs, the Shore branch is affiliated with the Cleveland Y.W.C.A. The organizations are found in many high schools throughout the United States.

Under the splendid leadership of Miss Margaret Patrick and Miss Virginia Bell, the girls are able to follow their purpose, "To find and give the best," and the Y-Teen motto, "To face life squarely."

Officers are chosen in May, before school adjourns, so that they may take their positions the following September. The cabinet members, consisting of the president, vice-president, social chairman, program chairman, secretary, treasurer, and inter-club council chairman have individual duties to perform in making this girls' club interesting and successful.

Precision and enthusiasm—both are valued highly in the Junior Y-Teen, for the participants must build a fellowship of girls devoted to the task of realizing in common, those ideals of personal and social living.

This purpose is recognized by each member of the Junior Y-Teen.

All girls in the ninth and tenth grades are eligible to join this popular girls' club.

As each new individual enters Shore, he is quickly put at ease by the friendly homeroom representatives of the Newcomers Club, who act as hosts and hostesses to new students and welcome additions to Shore's population.

The members take charge of new students, introducing them to teachers and students, acquainting them with the aspects of life at Shore, informing them on extra-curricular activities, or in other words helping the newcomer graciously to adjust to new surroundings.

Fairly young in the ranks of Shore's extra-curricular activities Newcomers Club has more than proved its worth to the school. Future years at Shore will be friendly, sociable years if the Newcomers Club is an example of Shore's hospitality.

Next to sports, music is the most important event of the school activities.

Band, orchestra, and choirs are all made up of volunteer members. The band plays for the football games both at home and away. This year they sponsored a magazine drive to raise money for new uniforms.

The choirs sing for commencement and baccalaureate. They

present the annual Christmas Concert with the traditional candlelight procession.

Working together, they present many concerts throughout the school year. Shore is fortunate in having two capable music directors, Mr. Dale Harper and Mr. John Beck, who work constantly to improve the music at Shore.

Each fall a new group of seniors set to the task of creating for their class a bigger and better yearbook. Profiting from previous classes' experiences the group works out the central theme and major and minor details for the **Log**. The work of the annual staff continues the whole school year, under the capable supervision of Mr. Angene.

The work for the annual is divided up by the editor into sections, each headed by a committee chairman. Pictures, seniors, underclassmen, teachers, sports, and organizations are the main divisions of the editorial work of the **Log**. This year juniors took part in the **Log** work also. With the work divided a better yearbook is assured.

There would not be an annual, regardless of the editorial efforts, if the business staff didn't add their efforts by procuring advertisements and selling subscriptions. A hard working group, the **Log** Business Staff organizes early and works throughout the whole year.

Divided into two division, the staff is headed by a Business Manager. The Advertising Manager and Circulation Manager are responsible for collecting advertisements and selling the subscriptions which help pay for the cost of the **Logs**. Miss Phypers is the always present advisor who helps the staff reach their goal.

From amid perpetual scouring for news, staccato typewriters, and throbbing presses, the Shore Breeze emerges each school week.

The Breeze staff and Mr. Charles Vaughn, the advisor, ably assisted by the journalism and printing classes, strive to make a paper of which the school can be proud. This year the Breeze has had an editorial board headed by a chairman. This system enables the work to be better distributed, and thus produces a better paper. Another Breeze policy recently inaugurated is to have pictures throughout the paper whenever possible.

The dream of all Shore athletes is to be a member of the N. A. S. S., which combines scholastic achievement with athletic ability.

A good student is recognized in this, one of the newer clubs at Shore. Coaches and boys alike have longed for an organization of athletes that were not bothered

with worry over ineligibility due to grades. It has long been a true statement that intelligent students make the best athletes.

To become a member, a boy must be in the upper forty per cent of his class and have earned an athletic letter in sports participation.

The mighty Admirals ripped through one of the greatest seasons in Shore's history to come out undefeated.

Crushing their first six opponents by tremendous scores, the Admirals were set back on their heels by a highly spirited and confident Maple Heights team in a 6 to 6 tie. The team returned the following week to trounce the Garfield Bulldogs, who consistently have strong teams every year.

Ten of the starting line up were seniors whose graduation will hurt the team greatly. Each of these boys made one of the teams on the All-Conference squad, including Don Anzells, the lone junior. Obert, McLean, Mihelick, Mayer, and Mast constitute the boys who were honored with first-string berths. The one veteran, Jim Weybrecht, was chosen second string and the remainder, Hill, Birch, Levitt, and Lewis, made honorable mention.

The 1946-47 Admirals team enjoyed a sensational season in basketball. Shore proved its power by capturing the championship of the Eastern Conference, and reached state-wide acclaim when they defeated Youngstown South.

The Admirals opened the season with a veteran team, having four lettermen in the starting lineup. At mid-year the squad lost three of these lettermen, Don McLean, Dexter Rolla, and Warren Levitt. However, the replacements came through in excellent style losing only one game throughout the season.

This season was a very thrilling season for the fans who attended the games. Five contests were decided in the last minute of play, with Shore winning four of these five. The only mar on the record was the 42-37 defeat to Bedford on the Bearcat's floor.

Wrestling Champs for the ...

For the first time in the history of Shore a wrestling championship was won by a very deserving coach and team.

Winning five league and seven independent meets, Clarence Eckert coached his team through a perfect season without a loss or tie. He instilled keen competition between the boys who made the weekly eliminations become an intersquad rivalry. This system determined who would wrestle, and also strengthened the entire squad.

Although a junior, Captain Fred McLean was the most accomplished wrestler on the team. Fred has wrestled for four years and has had very successful seasons.

Mid-year graduation took Al Ulle and John Stevenson, two very capable boys who were undefeated in their matches. Roger Wach, Crayton Mast, Chuck Hill and Joe Tarantino are the only seniors who have wrestled this season, although Roger was the only one who wrestled regularly. This means that the team will not suffer too great a loss at June graduation.

The junior class was well represented on the squad by Fred McLean, Don Hoag, Earl Brown, George Binder and Nick Marino. Bob Marich, Jack Hoag, Bill Erb, Pete Mihelick, and Dick Fox were the sophomores on the squad.

The very capable and untiring efforts of Fred Andreucci were appreciated by every member of the squad. The unseen work done by the manager can only be appreciated by those whom it benefits, and that is why Fred has become a prominent member of the team.

Shore's success this season was due to the fact that the team was not composed of two or three stars, but a well rounded group of boys who were determined to win. The flawless coaching, team co-operation, and the will to win all added together to mold the fine wrestling squad of 1946-1947.

Eastern Conference Champions, runner up for the Metropolitan Championship, and the only team that beat the state champions, are some of the outstanding accomplishments of the 1946 Admirals baseball team.

This year's baseball team did its share to further one of the finest conference records in the state: 35 victories without one defeat. The Admirals compiled a season's record of 17 wins, 4 losses, and 1 tie.

Every member of the team co-operated with coaches Pohto and Sharrock to help make the team successful.

Through the Girls Athletic Club, and the Girls Leaders Club, athletic-minded girls can find an outlet for their excess energy. Both of these clubs, jointly sponsored by Miss Hazel Moore and Miss Virginia Bell, provide extra-curricular athletic activity for girls.

Any girl in high school can join the G. A. C. The objective of the club members is to make

points by participating in volleyball, basketball, baseball, ping pong, and badminton tournaments or by hiking. Those who accumulate enough points win a letter.

Members of G. L. C. are selected on a basis of scholarship, leadership, honesty, and athletic ability. The girls, called the "white suit brigade", assist in gym classes and tournaments.
